

If you abuse the privilege, you lose the reward...
If you care for the privilege you share in the reward.

A privilege is earned when we make good choices. When we take care of our privileges, we can earn rewards. When we do not take care of our privileges, we must face the consequences. Fill in the blanks below.

★ The Privilege: Being a student at this academy ★

I discipline myself by: _____

The reward for my discipline is: _____

The consequence for lack of discipline is: _____

★ The Privilege: Eating dinner with my family ★

I discipline myself by: _____

The reward for my discipline is: _____
